### Thank You

Thank you for the parents who have volunteered to help on our filming days with costumes and organizing students. Without your assistance we would not be able to meet our filming schedule.

If you still wish to volunteer you will need a Working With Children Number and be willing to wear a face mask. Please email to express your interest: [info@momentumdancestudios.com.au](mailto:info@momentumdancestudios.com.au)

## Congratulations!

Term 3 deserves a round of applause for all involved! After the impact of the Corona Virus in Term 2 we managed a full and safe return to dance. This was due to our wonderful students, their families and teachers working together to follow the COVID Safety Plan..... so thank you!

As a result of a full term of hard work and creativity we have managed to create 21 dance routines to be filmed in the first 3 weeks of Term 4 by our production team.

## Lights Camera ACTION!

The filming of dance routines will occur at the studio and on the Balcombe Heights Estate over the following dates: Saturday 17<sup>th</sup>, 24<sup>th</sup> & 31<sup>st</sup> October.

We are excited to inform you that we will be using a high quality 4KHD camera and will be able to easily email you the dance film rather than provide it via USB.

## \*\* Student Must Haves \*\*

Please ensure your child has the items listed on the Uniform Requirement List published on our website & emailed to you. These are the basis of our costuming this year. Female students should also have their hair tied back in a neat low bun to allow for any accessories and for a professional look. No make-up required for students age 9 and under. Students aged 10 and up may choose to wear natural make-up only please.

## 2021 Enrolments

An email will be sent to parents to confirm re-enrolment for 2021 classes in **week 7** with our timetable. All students will need to confirm their classes to secure a spot for next year. Please be sure to respond to this email as we do receive much interest from outside students at this time of year and would not want current students to miss out. All class have strict COVID Safe capacity restrictions.

*Happy Dancing Everyone!*
